Foot massage, 80 minutes US\$ 40

In a world where all we do is stand, run, walk and lift – our feet support us the entire way. Our feet relate directly to all our body parts and functions. After your foot massage you will feel relaxed, tensions eased and you will experience renewed energy flows throughout your body.

Warm stone massage, 80 minutes US\$ 55

The healing power of touch combines with the energy of the earth in this relaxing, muscle melting massage. This technique uses smooth warmed up volcanic rocks, gliding across your body in long flowing strokes. The stones are placed on strategic energy points to ease tension and muscular aches.

Ayurvedic Shirodhara, 80 minutes US\$ 60

Derived from Sanskrit, the word Ayurveda comprises the words *āyus*, meaning 'life' and *veda*, meaning 'science'. Shirodhara is one part or feature of the ancient Hindu holistic medical practice of Ayurveda. "Shirodhara" is a Sanskrit word combining two other words - "shiro" meaning "head", and "dhara" meaning "flow".

Shirodhara treatments feature the steady streaming of warm, fragrant oil onto the "third eye" on your forehead. Shirodhara is a very relaxing treatment that leaves you feeling both calm and clear headed. It is supposed to harness the flow of energy around your body, truly an uplifting and inspiring experience.

Traditional facial, 80 minutes US\$ 50

This treatment will **cleanse**, slough away the layer of dead skin cells and deep-clean pores to help prevent acne and dull skin. It will **balance** the different areas of facial skin, and improve the texture, general health and appearance; **rehydrate** (moisturise) and nourish your complexion. It will **tighten and brighten**, making you look younger, firmer, fresher and lovelier! Just having a facial will make you feel pampered, will leave you feeling relaxed and refreshed, and your skin feeling softer and cleaner.
